20th December 2018

Ref: Year 7 and 8 Interim Term 1 Parental Report

Dear Parent / Carer,

As the first term at Astrea Academy Woodfields draws to a close, I would like to thank you and the students for embracing the changes we are making in order to raise standards. Today your son/daughter has received their Term 1 Teacher Progress Report. This interim report provides an overview of the Attitude to Learning your son/daughter has demonstrated in all of their subjects since September 2018. Further to this the report also summarises their current cumulative attendance, classroom rewards and behaviour points and current GCSE Targets.

By February 2019, all subjects will have covered enough curriculum content to be able to accurately assess students against the Astrea Key Stage 3 Assessment Maps. In March 2019, a further Teacher Progress Report will follow this assessment.

Further to this in July 2019 all students in Year 7 & 8 will sit nationally bench marked external assessments in Maths, English and Science which will provide externally verified information of the progress your son/daughter is making in each of these subjects. We will of course share the outcomes of these assessments with you in due course.

If you have any questions and/or concerns you wish to discuss with the Academy could I draw your attention to the parental drop evening on the Academy calendar on the 29th January. However, should you wish to discuss anything as a matter of urgency please do not hesitate to contact the Academy as soon as possible.

We wish all our students, their families and our staff a very happy festive season and hope you have a lovely holiday. I look forward to the amazing things our students will achieve during 2019.

Kind regards,

A handwritten signature in black ink, appearing to read 'Alistair Hartley', is placed over a white rectangular background.

Alistair Hartley
Assistant Principal
