

Workshop Location

Sixth Form Centre

Astrea Academy Woodfields, Weston Road, Balby
Doncaster, DN4 8ND.

Directions to Astrea Academy Woodfields

From the North and South:

Access the A1 north or south and take the exit to junction 36. **At the roundabout take the first exit into the right hand lane onto Warm's worth Road and head straight for 1 mile. Go through five sets of traffic lights and on the sixth set of traffic light get into the right hand lane to turn right onto Hall Flat Lane.**

Immediately take your first left turn onto Cross Street and follow the road. This road will merge with Tickhill Road.

Keep on Tickhill road until you reach some traffic lights. Head straight over from these traffic lights onto Weston Road and down to the bottom. Balby Carr will be on the right hand side.

From the West:

Access the M62 East and take the exit to junction 33 and head towards A1 South. Take the exit to junction 36 follow the route above in **red**.

From the East:

Access the M62 West and take the exit to junction 35 and head towards M18 South. Take the exit to junction 2 and head towards A1 North. Take the exit to junction 36 and follow the route above in **red**.

Presents

Sports Medicine Workshops for students
aged 15-19 interested in sports medicine
careers.

Clinical Sports Medicine

Thursday 28th February 2019

Sports Medicine Workshops

Astrea Academy Woodfields are proud to offer a new and exciting opportunity for students aged 15-19 years who are interested in careers in sports medicine, health and fitness.

These workshops will come in four parts where students will be able to get hands on practical experience of techniques and procedures to use when dealing with different scenarios within the sports medicine, health and fitness industries.

Students will be able to focus on the skills that they will utilize in their chosen environment with an extensive amount of lab time set aside to do this.

Workshops are led by highly qualified professionals in their own industry and will present ideas on how to prepare for life and university programmes within the sports medicine, health and fitness industries.

The workshops are **free** and open to students aged 15-19 years who have an interest in sports medicine, health and fitness.

Please note that places are very limited, students wishing to attend must book a place.

For more information or to book a place please contact Rick McGowan at r.mcgowan@balbycarr.org / call 01302 312 140.

Sports Medicine Workshop Part 2 Schedule

Wednesday 28th February 2019

Astrea Academy Woodfields—Sixth Form Centre

18:00 Lecture with Dr Neil Pease (NHS Derby) on being a clinical sports medicine practitioner.

18:20 Question and answer session with Dr Neil Pease (NHS Derby)

18:40 Practical with Dr Neil Pease (NHS Derby) on how to use intubation and a laryngoscope

19:30 Class dismissed

This workshop will focus the clinical side of sports medicine sports accompanied by guest speaker Dr Neil Pease who works at NHS Derby Teaching Hospital.

Neil has specialised in sports medicine at the University of Glasgow and has worked in public health for several years and with rugby super league side Hull Kingston Rovers.

Neil aims to show the students how to use intubation which is used to put an airway down the throat to secure the airway. This would benefit students who wish to go onto clinical sports medicine.

Neil will also be showing the students how to use a laryngoscope which is used for looking down the throat and a selection of different airways.
