

Astrea Academy Woodfields : Remote Learning

At Woodfields, we are always looking for ways that we can support you to continue with your education at home, to make sure that when school re-opens you have been given every opportunity too keep up to date with your education.

Please find below some options that you have so far, for learning at home. We hope that you find enough material here to keep your minds engaged, active and focused.

We look forward to seeing you all again....hopefully soon.

FROG	Teachers are setting and feeding back on work submitted via our FROG online system. Please email FrogHelp@astreawoodfields.org if you need any further support.
Distance Learning Suggestions	We have also produced a list of further 'non-Frog' learning opportunities, that can be explored. Our Curriculum Leaders have put together this diverse list. This can be found on our website.
Oak National Academy	A fantastic resource that has been put together for all, students, parents and teachers to use. You may find that some of your teachers set some work for you to complete from this website. You can also go onto this website yourself and learn independently. https://www.thenational.academy/online-classroom
BBC Programmes	BBC have made accessible learning programmes through the TV. You can access this through BBC1 and pressing the red button. This will take you to BBC IPlayer and give you the options available. Or just go straight to BBC Iplayer and search 'Bitesize' through the search facility.
Woodfields Curriculum Plans	All the Curriculum plans for each subject can be found on our academy website under the tab 'Curriculum'. Students can use the guidance to revise topics that they have already covered and pre-learn topics that they have not covered yet.
