

1st March 2022

Dear Parent/Carer,

You should have recently received a letter from Doncaster Council offering your child a place at Astrea Academy Woodfields in September.

We know that choosing a secondary school is one of the most important decisions that a parent makes, and so we want to invite you to attend a meeting with a member of our Senior Leadership Team (SLT) for you to hear more about our school and our wider family, Astrea Academy Trust.

At Astrea, all our energy is focused on providing a brilliant education which helps children to learn, thrive and lead successful lives. This vision drives everything we do in each of our 26 schools: 20 other schools in South Yorkshire and five in Cambridgeshire. Our work starts and ends with a universal belief in high standards and expectations for every child. Underpinning our vision is a commitment that knowledge and scholarship will be celebrated, we want our children to become resilient in the face of challenge and we commit to providing all Astrea children with rich opportunities and to supporting them every step of the way.

Astrea Academy Woodfields is on a Journey to excellence and every decision is centered on students, enabling them to achieve their full potential so that they go on to a successful and rewarding future. It is our vision that students will become lifelong learners where we create outstanding young adults who are proud of their community and cultures.

We would be delighted to meet with you at our academy so you can find out more about us and ask any questions. If you then decide you would like your child to take a place at Astrea Academy Woodfields, then we can help you with the process.

If you would like to arrange a meeting with a member of our SLT at a time to suit on the dates listed below, please email us at: office@astreawoodfields.org SLT informal meeting and tours of the academy:
