

6th January 2023

Dear Parent/Carer of Year 8 Child,

Year 8 HPV Vaccinations

The School Vaccination Team will be visiting the academy on 18th January to administer the HPV vaccination to all boys and girls in year 8.

The HPV vaccine helps protect from being infected by the human papillomavirus (HPV). This virus increases the risk of developing some cancers later in life, such as:

- cervical cancer
- some mouth and throat cancers
- some cancers of the anus and genital areas

If you would like your child to have the vaccination, please complete the consent form by following the link below, as soon as possible.

<https://systems.rdash.nhs.uk/eConsent/146370HPV221326>

The Government Website link below explains about this vaccination and is available in several different languages if you click the link below

[HPV universal vaccination: leaflet - GOV.UK](#)

If you have any queries please raise these with Rotherham Doncaster and South Humber Trust (RDash) 03000 211841.

Yours sincerely,

Mrs K Haughian
Operations Manager
