Dear Parent/carer,

I am proud to announce that we have a new partnership with Schoolwear Solutions by Cliffs. They will now be providing all our academy uniform. We are excited to be working with them and I am sure that you will be pleased by this too.

After reviewing your feedback regarding previous suppliers, I am confident that our new supplier will solve many of the issues faced. The balance of having a local store and the option to buy products online will bring added convenience to parents. The opportunity to be measured in store and physically try on garments will be advantageous for families and prevent incorrect orders.

Schoolwear Solutions by Cliffs are a family-run business, specialising in supplying the best quality school uniforms and school sportswear, with solid values of excellent customer service, ethical sourcing of garments and massive buying power, the benefits of which they delight in passing on to customers with the most competitive prices and the widest choice.

Our range of uniform items have been carefully chosen to ensure a balance between comfort, durability and professionalism. By implementing our uniform policy, we aim to eliminate distractions, encourage positive self-image, and reinforce a strong sense of unity amongst our scholar community.

As a school we kindly request your cooperation in adhering to the uniform policy, as it is vital in maintaining consistency and upholding the values we strive for as an academic institution. By sending your child to school dressed in the appropriate uniform, you are not only setting a positive example but also contributing to their overall development and success.

Thank you in advance of your support.
