

Dear Parent,

We are delighted to invite you to our Y9 Options Evening on Thursday 22nd February, the event will run from 4:30-6:30pm at Astrea Academy Woodfields. You must attend so that together we can support your child in finalising their curriculum for Key Stage 4.

There will be refreshments throughout the event that will allow opportunities to have informal discussions with senior leaders and subject teachers about the choices that your child will make. There will be two opportunities to listen to a formal presentation about the guided pathways, and stalls will be set up around the school so that you can discuss each option in more detail with the teachers and subject leaders.

The programme for the event is as follows:

Time	Scheduled Activity	Location	Stands and Information
16:30	Doors Open	AAW	Refreshments – Dining Hall Subjects – Stalls and Information in departments Senior Team – around school SEND – Library Safeguarding – Library Attendance - Library

This is the first time since being in full-time education that scholars can choose the subjects they want to study. In choosing these subjects it is important that scholars carefully consider their future career, the subjects where they perform strongly, the advice of their teachers and their interests. It is essential that they make these choices by a link that will be sent out to you via text. A paper version is available upon request. The deadline for this will be the 9th March.

We look forward to seeing you at Options Evening and welcome any questions before your visit.

Yours Truly,

David Scales
Principal
