

Dear Parents/Carers,

We are extremely mindful of uniform being an expense that is not always easy to provide, particularly families with more than one child/dependent at this academy.

Our thoughts have gone to this over the last few weeks and the result is that we are going to gather a stock of pre-loved uniform, with all items of good quality uniform for scholars.

With this in mind, if you have any Astrea Academy Woodfields uniform items, in good condition that your child/dependent has outgrown/no longer needs, we would very much appreciate it being donated to the academy for other scholars to make use of.

We also have a large number of scholars who have borrowed items of uniform - outside of the free uniform items given. For these items we will contact separately for either return or payment. If you have any items to return or donate, please bring them into Reception in a clean and good state, with the scholar's name on (if the item has been borrowed) so that we know who to remove from our 'borrowed and outstanding uniform' list.

We look forward to receiving any uniform items you might have!

Yours sincerely
