Principal: Mr David Scales

Dear Parents/Carers,

BTEC Construction Course Update

I hope this letter finds you well. I am writing to inform you of an important update regarding the BTEC Construction course at Astrea Academy Woodfields.

As you are aware during the summer term you and your child chose GCSE options that they would like to study throughout Y10 and Y11. Whilst we were able to honour the vast majority of first choice requests, after careful consideration and review, we regret to inform you that we will no longer be able to run the BTEC Construction course for the upcoming academic year. This decision has not been made lightly, and we understand that it may be disappointing news for your child and your family.

The decision to discontinue the course was influenced by curriculum updates. Unfortunately, this has made it unfeasible to continue offering the course at this time.

We are committed to supporting your child's education and future career aspirations. As such, we are able to offer an alternative course that is running at the same time.

Places are limited to the below number:

1. GCSE Business Studies – 4 Places
2. GCSE Music – 12 Places
3. GCSE Triple Science – 8 Places (X Band ONLY)
4. BTEC Sport – 7 Places

To make this choice please use the link below:

<https://forms.office.com/e/uQ78UaZaTD>

We apologise for any inconvenience this may cause and appreciate your understanding and support as we work to provide the best possible educational experience for all of our scholars.

If you have any questions or would like to discuss your child's options further, please do not hesitate to contact me.

Thank you for your continued support.

Yours sincerely,

Alistair Hartley

Senior Assistant Principal
