Year 11 Mock Examinations Countdown

Dear Parents/Guardians,

I am writing to inform you that your child has now received their examination timetable for the upcoming assessments. **The first exam will be on the 5th of November, a little over 2 school weeks from now.** These exams represent an important opportunity for your child to demonstrate their learning and progress throughout the year and a **set of grades that colleges will use for selection in their application process.**

As we approach the exam period, I would like to take a moment to emphasise the significance of consistent effort both in class and at home. Active participation during lessons and thorough completion of homework are essential in preparing for exams and achieving the best possible results.

There will be a Y11 careers and revision evening on **Wednesday 16th October at 18:00-19:00.** Parents/carers are invited to an evening of essential information on how to best support your child on their post 16 education, including applications, funding grants and the numerous routes into further study and employment. Attendance to this event is a great way to support your child's future and understand the gateways to university or a real alternative.

Please take some time to review the exam schedule with your child and help them plan an effective revision routine. It is best to space this revision out and ensure they are not left cramming large amounts of information close to the exam date. A quiet space, a structured schedule, and your encouragement can make a tremendous difference in how they approach their revision during this critical period.

We have provided the Class of 2028 with the following revision resources to support them.

- CGP revision guides
- Knowledge organisers for all subjects
- Additional exam papers
- SENECA (online homework)

Thank you for your continued support in your child's education. If you have any questions or concerns regarding the exam schedule or how best to support your child's preparation, please feel free to contact us.

Yours faithfully,

A handwritten signature in blue ink, appearing to read 'A. Clifford'.

Mr A Clifford – Assistant Principal
